Rajasthan- 302017

Sub: Registration of industries of Delhi-NCR on web portal to monitor installation/retrofitment of APCDs to comply with revised PM emission norms – reg.

Sir,

This is with reference to the CAQM direction no. 98 dated 20.02.2026, prescribing the revised maximum permissible PM emission standard of 50 mg/Nm³ for 17 Categories of highly polluting industries, Red Category (Medium and Large) air polluting industries, Food & Food Processing and Textile industries having boilers/thermic fluid heaters and Metal industries having furnaces, operating in Delhi-NCR, along with timelines for compliance.

As per inventory compiled by CPCB, based on information furnished by SPCBs/PCCs of Delhi-NCR, a total of 312 industries are required to comply with the revised PM emission standards in the State of Rajasthan (list enclosed).

In order to monitor the implementation of the said CAQM Direction, CPCB has developed a dedicated web portal for registration of industries, updating status of work orders for installation/retrofitment of APCDs, and commissioning of APCDs (link: apcd.cpcb.gov.in).

Accordingly, SPCB/PCC is hereby requested to issue necessary directions to the industries falling under the aforesaid category of sectors and operating in Delhi-NCR (list as given at Annexure-I) for compliance of the following:

- (i) Registration on the web portal by 31.03.2026.
- (ii) Submission of work order for installation/retrofitment of APCD on the portal by 30.04.2026.
- (iii) Commissioning of APCDs in large and medium industries to achieve compliance with the revised norms by 31.07.2026, and, in remaining industries by 30.09.2026.
