Date: 18-03-2026

To,

1. President, Bhiwadi Manufacturers Association (BMA), S-56, BMA House, Dhaba Complex, Bhiwadi
2. President, Bhiwadi Jal Pradushan Nivaran Association, Bhiwadi (SPV for CETP, Bhiwadi)
3. President, Laghu Udyog Bharti (LUB), Bhiwadi Chopanki & Khushkhera
4. President, Bhiwadi Integrated Industrial Association (BIIA), SR-9, RIA, Kehrani, Bhiwadi
5. President, Bhiwadi Chamber of Commerce & Industry (BCCI), Plot No. 1, Commercial Complex, Industrial Area, Chopanki
6. President, Khushkhera-Karoli Industrial Association (KKIA), Khushkhera

Sub. Directions issued by this office under Section 31A of the Air (Prevention and Control of Pollution) Act, 1981 regarding installation of OCEMS/PTZ cameras and establishment of connectivity and data transmission to CPCB and RSPCB servers by 26.03.2026, regarding

- Ref.
1. Directions issued by Central Pollution Control Board (CPCB) under Section 18(1)(b) of the Air Act, 1981, to RSPCB vide letters dated 09/10/2025
  2. Directions issued by CPCB to State Board under Section 18(1)(b) of the Air Act, 1981, regarding Installation of OCEMS in Air Polluting Industries located in NCR-Delhi, on 11.03.2026
  3. Directions issued by this office to concerning industries under section 31 (A) of the Air Act on 16.03.2026

Sir,

Apropos the above, as you are aware the Central Pollution Control Board (CPCB), New Delhi, has issued directions dated 09.10.2025 to the State Board under Section 18(1)(b) of the Air Act, 1981, mandating installation of NPL-certified Online Continuous Emission Monitoring Systems (OCEMS) and PTZ cameras in industries operating in the textile, food processing, and metal sectors in the National Capital Region (NCR), along with ensuring connectivity to CPCB servers by 31.12.2025.

In pursuance of the above, the State Board has also issued directions under Section 31A of the Air Act to the concerned industries, requiring installation of OCEMS/PTZ cameras

e-mail: [robhiwadi@gmail.com](mailto:robhiwadi@gmail.com)

and ensuring connectivity with CPCB and RSPCB portals within the stipulated timeline, i.e. 31.12.2025.

However, as per the latest information received from CPCB, a significant number of industrial units in Rajasthan have yet to achieve the desired compliance. While some units have placed purchase orders, they have not completed installation and connectivity, and others have failed to establish proper data transmission with servers after installation.

Further, CPCB has issued directions dated 11.03.2026 under Section 18(1)(b) of the Air Act, 1981, requiring the Board to ensure installation of OCEMS/PTZ cameras and complete connectivity/data transmission to CPCB servers for all such industries by 26.03.2026.

CPCB has also directed the State Pollution Control Board to SPCB to ensure closure of the defaulting units and share the list of such defaulting units by 30th March 2026, certifying that the CTO of the unit has been revoked, electricity has been disconnected through the DISCOM/District Magistrate (DM) and unit has been sealed by the DM.

In this regard, this office has already issued directions dated 16.03.2026 to the concerned industrial units under its jurisdiction, mandating compliance within the prescribed timeline, i.e., by 26.03.2026. The list of such industries is enclosed for ready reference (Annexure 1 & 2).

In view of the above, your co-operation is earnestly solicited for the following:

1. To proactively engage with member industries and sensitize them about the urgency and seriousness of the compliance requirements.
2. To impress upon the industries that failure to comply within the stipulated timeline (26.03.2026) will result in stringent regulatory action, including revocation of consents and closure.
3. To widely circulate this information among all member units through your communication channels to ensure that no industry remains unaware of these directions.
4. To encourage and facilitate industries in resolving any practical issues related to installation and connectivity at the earliest.

Encl. as above

Yours sincerely
