Office Order

In compliance with the directions issued by the Central Pollution Control Board (CPCB) vide letters dated 12.02.2025, 25.03.2025, 16.10.2025, 16.12.2025, 11.06.2026 and 20.07.2026 under Section 18(1)(b) of the Water (Prevention and Control of Pollution) Act, 1974 and the Air (Prevention and Control of Pollution) Act, 1981 regarding harmonization of the classification of industrial sectors across the country, the Rajasthan State Pollution Control Board (RSPCB) adopted the revised methodology for categorization of industrial sectors under Red, Orange, Green and Blue categories vide Office Order dated 21.01.2026.

Subsequently, the Board undertook a comprehensive review of the categorization framework and identified certain industrial sectors that were included in the erstwhile categorization adopted by the Board but were not covered under the categorization notified by CPCB. In order to ensure comprehensive coverage of all industrial sectors and facilitate uniform implementation of the categorization framework, such left-out sectors have also been appropriately classified under the respective categories.

Accordingly, the consolidated list of industrial sectors classified under Red, Orange and Green categories is enclosed as **Annexure-A**.

This Office Order shall come into force with immediate effect and shall supersede all previous office orders, circulars, notifications, guidelines and instructions issued by the Board pertaining to categorization/classification of industrial sectors.

This bears approval of competent authority.
